TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 7, 1996

SUBJECT: **SB 2175**

This bill, if enacted, will make various changes regarding the functions of the sex offender treatment board. These changes include:

- change name from sex offender surcharge fund to sex offender treatment fund;
- person entering into a Memorandum of Understanding as a sex offender will pay the appropriate amount of tax;
- any unpaid balance of the tax imposed will be deducted from the inmate trust fund account;
- membership on the board will include a representative of the board of paroles.

The fiscal impact from enactment of this bill is estimated to be an increase in state revenues to the sex offender treatment fund. The amount of such increase cannot be determined but is estimated to be not significant.
